

WORKSHOP

APRIL 14, 1988

The Board of County Commissioners, Walton County, Florida, met in a workshop session on April 14, 1988, at 6:00 P.M., at the Sandestin Resort.

The following Board Members were present: Chairman Joe R. Griffin and Commissioner Robert G. Fleet.

Chairman Griffin opened the workshop by asking Shirl Williams, Planning Director, to read the items discussed at the workshop held on April 12. Mrs. Williams stated that a Planned Unit Development ordinance and street right-of-ways were discussed.

Mr. Tom Patton spoke in favor of a Planned Unit Development ordinance as well as reducing the required right-of-way widths.

Mr. Robert Davis spoke also in favor of a Planned Unit Development ordinance and reducing right-of-way widths.

Several other members of the news media and the public asked questions.

Chairman Griffin appointed a committee of the following people: Kathy Foster, Ray Meyer, Robert Davis, Allen McWilliams, and Jim Harris. Chairman Griffin instructed the committee to meet and draft some revisions to both the zoning ordinance and the subdivision regulations. Another workshop will be scheduled to discuss the committee's findings.

The workshop was adjourned at 7:30 P.M.
