

WORKSHOP

AUGUST 17, 1994

The Board of County Commissioners, Walton County, Florida, met in a Workshop on August 17, 1994 at 9:00 A.M., to interview applicants for County Engineer. Also serving on the interview Committee were Ronnie Bell, County Administrator, L. G. Wilkinson, Part-time County Engineer, and Joel Cromartie, Retired Soil Conservation Service District Conservationist.

Mr. Bell asked the applicant ten questions which he complied. Mr. Thomas Brantley was the remaining applicant to be interviewed.

After Mr. Brantley's interview, the Committee Members ranked the applicants as follows:

1. Thomas Brantley
2. Charles King
3. Thomas Masterson

The Committee directed Mr. Bell, Chairman Porter, and Attorney George R. Miller, to contact Mr. Brantley and begin negotiations with a salary range.

There being no further business, the Committee adjourned.
