Does the TDT Apply to Me?

WHAT IS IT?

- ◇ TDT=a pass-through, trust-type tax that is charged to the renters & passes through the owner/manager on the way to the proper taxing authority.
- ◇ Once collected from the renters, the TDT funds collected are considered county property held in trust by the collecting owner/manager until properly remitted to our department.

WHICH RENTALS?

- ◇ ***ALL*** Walton County properties *with rental stays of 6 months or less* are subject to TDT.
 - ◆ Properties rented in this manner are referred to as short-term rentals (STRs).
- ◇ The Walton Co. TDT applies to STR stays regardless of any of the following:
 - ◆ how a rental stay was booked (which rental ad platform was used);
 - ◆ how often it's rented (whether 1 time or often, only 1 season or throughout the year, etc.);
 - ◆ who the renters are to you (anyone or just friends & family); or
 - ◆ how much money is received (whether lower than market value rent or just the cleaning fee).

HOW MUCH?

- ◇ TDT is calculated based on total rental income per stay including all rental fees charged that are ***both mandatory & nonrefundable***. (The most common example of such a required fee=cleaning fee.)
- ◇ The TDT % multiplied by that rental income is determined by the location of your rental property.
 - ◆ If the rental property is located **south of the Choctawhatchee Bay**, it is part of the **South Walton TDT district**. If it is **north of the bay**, then it is in the **North Walton TDT district**.
 - * **South Walton (SW) TDT Rate=5.0%**
 - * **North Walton (NW) TDT Rate=3.0%**

HOW TO REGISTER?

- ◇ Click the "Register Here!" link on our tax website: www.waltontdt.munirevs.com.

IMPORTANT REMINDERS

- ★ **No rental ad platforms remit ANY TDT funds on your behalf to our department.**
 - ★ Rental ads are checked regularly for compliance.
- ★ **Noncompliance with the tax law will result in enforcement action** that will include penalty and interest charges & may include tax liens or other collections/legal actions of varying severity.
- ★ Timely voluntary disclosure (i.e. coming forward before our office contacts you about the rental unit's non-compliance) will minimize interest and possibly waive some or all related penalty charges.
- ★ If you rent through a management company, they may collect and remit TDT on your behalf; however, *it is ultimately your responsibility per FL Statute* so we recommend that you contact them to verify that the total tax is being appropriately collected and remitted to our department.
